glue to back of flap A

Cut out window

put glue here

Slider Holder

**Slider Word Drill Lesson 16 -an**  
 Cut on the dotted lines. On the holder, fold on the gray lines. Cut out the gray windows.  
 Put glue on the flaps with the apples and press onto the back of the front flap. The slide should move freely in the holder. If it is too tight, trim from the top. This will keep the letters on the slide in line with the letters on the holder.

Slide Lesson 16

©2001 McRuffy Press 16b

Sliders are easy to assemble word changing drills.

Sliders in the SEresource pack are printed on color cardstock.

Copy masters of sliders are also included in the resource pack.
